I am in receipt of your letter requesting a patch and/or a cloth badge which you would like to add to your valuable collection of law enforcement emblems and insignia specializing in federal law enforcement/security/intelligence groups.

I appreciate your taking the time to also include with your letter a copy of your background information. I understand the seriousness of your collection; however, at this point, I have to decline your request for a patch and/or cloth badge.

In reference to forwarding your request to another party or collector, I regret that I am unable to comply.

Thank you for your letter, and good luck in your continuing endeavors.

Sincerely,

Director of Security
